RETRACTED ARTICLE: Nationwide distribution of *Kyo-yasai* (heirloom vegetables in Kyoto) and the advantages of traditional farming methods with importance of 'Syun': a case of mizuna

Takako Nakamura¹, Asuka Nakao¹, Minami Watanabe^{1,2}, Kinji Ueda¹, Toshihiko Matsuda^{2,3}, Seiji Matsumoto⁴, Toshiharu Yamaguchi⁴, Masaho Haikata⁴, Asuka Kaneko⁴, Koji Shiota⁴, Azusa Sasaki¹, Shigehisa Okamoto⁵ and Yasushi Nakamura^{1,4,6*}

The Editor-in-Chief has retracted this article because the authors could not provide documentary evidence of approval from an ethics committee to carry out this research. They also could not confirm whether participants provided written informed consent for inclusion in this study and for identifying information to be published. The article has been removed to protect participants' privacy. The authors did not respond to correspondence from the publisher about this retraction.
